

Alexandria Gazette.

SATURDAY EVENING, JULY 30.

LOCAL MATTERS.

Sun and Tide Table.

Sun rises tomorrow at 4:50 and sets 7:14. High water at 2:47 a. m. and 3:44 p. m.

Weather Probabilities.

For this section fair weather and moderate temperature tonight and Sunday; light to moderate northwesterly winds.

THE DOG LISTS.

Today one year ago 688 licenses had been issued to keep dogs. Last year was what might be termed a low water mark year as only 745 licenses were issued. For years prior the average was 740 to 750, as 796 were issued in 1903. This evening the city auditor will send to police headquarters a book giving the names of all persons who have paid their licenses. The book is so arranged that the police can find out who have not paid. It appears upon the book that 319 dogs are domiciled north of King street, and 291 on the south side. The licenses were in the names of 461 white and 149 colored persons. One day this week a colored man was fined \$5 for keeping an unlicensed dog. That hundreds are still unlicensed is self-evident. Their owners are not of one race. Indeed a large majority of the delinquents are whites, many living in the heart of the city, and appear indifferent, but when haled into the police court and fined, one and all try to make excuses. Justice Caton has expressed his intention to fine these persistent evaders of the law.

DEATHS.

The many friends of Mr. William Addison Deahl will regret to learn of his death which occurred at his mother's residence, 509 Duke street, at 10:43 o'clock this morning. He was the son of Mrs. Elizabeth Catherine and the late Addison Washington Deahl. Mr. Deahl was one of the oldest skilled machinists at the Southern Railway shops in this city, having been in service for a period of twenty-five years. He was popular and held in high esteem by all who knew him, and the family have the sympathy of the entire community. He was a member of Lodge No. 580, International Association of Machinists, and also a member of the Columbia fire engine company. Mr. Deahl leaves a widow, mother, a sister, Miss Anna E. Deahl, and two brothers—Messrs. Charles J. and Ernest Deahl.

POLICE COURT.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

A white man, charged with assault, forfeited his collateral by failing to appear.

Maria Crump, colored, charged with drunken and disorderly conduct, was fined \$10.

Nellie Brooks and Albert Johnson, both colored, charged with disorderly conduct and fighting, were fined \$5 each.

Ella Reynolds, colored, charged with the larceny of three chickens, from Carter Jackson, colored, was dismissed.

William Jackson, colored, charged with assaulting Charles Gray, colored, was fined \$5.

Cissie Williamson, colored, charged with using abusive language toward A. L. McAllister, was dismissed.

TEACHERS' EXAMINATIONS.

Capt. W. H. Sweeney, superintendent of schools of the city, today concluded the summer examinations for teachers. The applicants were:

Professional course, white, Miss Laura Batt and Miss Elizabeth Batt, both of Washington.

Uniform examination, white, Miss Ella Dillingham, Fairfax county.

ALEXANDRIA EXCURSIONISTS.

The steam launch Golden Days arrived yesterday morning with a party of excursionists from Alexandria, and after Captain Burke had completed a tour of sightseeing about the city, the party left for Bay Shore Park, where they enjoyed a Maryland fish dinner and other attractions, leaving for home late last night. (Baltimore American.)

Hemmick, secretary; Rose Browning, treasurer, all of Washington. Capital stock—Maximum, \$100,000; minimum, \$10,000. Objects and purposes—Operate a hotel.

TWO MEN IN THE VESTIBULE.

SCOTTISH RITE MASONS.

In the presence of prominent members of the Masonic fraternity and under the auspices of George Washington Memorial Lodge of Perfection, No. 7, Orient of Virginia, Valley of Alexandria, officers of the three higher bodies of the Ancient and Accepted Scottish Rite of Freemasonry were installed at the Masonic Temple in this city yesterday. Charles A. Nesbitt, thirty-third degree, of Richmond, deputy inspector general in Virginia, conducted the installation of all of the officers.

The ceremonies as stated in the Gazette took place at the Masonic Temple and began at 4 o'clock in the afternoon. Promptly at that hour the officers of Randolph Lodge were installed, and at 6 o'clock supper was served at the Hotel Rammel. At 7:30 o'clock the installation of officers of Lafayette Council took place, and at 8:30 o'clock the officers of Virginia Consistory were installed.

The ceremonies were conducted by Charles A. Nesbitt, thirty-third degree Mason, deputy inspector general in Virginia. The supper was presided over by Judge J. K. M. Norton. Officers of the various bodies follow:

PRESBYTERY OF THE CHESAPEAKE

The Presbytery of the Chesapeake is called to meet at the Central Church, Washington, on Monday next, to consider the reorganization of the church at Little Washington, Rappahannock county, and to receive A. S. Johnson under the care of Presbytery as a candidate for the ministry.

SAYS VESSEL WAS BOMBARDED.

The captain of a vessel lying in a dock between Prince and Duke streets went to the station house last night and reported that his vessel was being bombarded with stones hurled by unknown parties. Lieutenant Bettis and Officers Knight and Reed proceeded to the dock, but they were unable to find the parties alleged to have made the attack.

COLONIAL BEACH.

The steamers St. Johns and Queen Anne now make regular trips between Colonial Beach, this city, and Washington. The steamers leave Saturday from the foot of Cameron street. The St. Johns leaves at 3 p. m., and the Queen Anne at 6:30 p. m. On the return trip the Queen Anne leaves the Beach at 5 p. m., and the St. Johns at 6 p. m. Boats leave at 9:30 a. m., during other days of the week.

THE MARKET.

There was a moderate supply of country produce in market this morning, enough, however, for the demand. Most of the vegetables on the benches had weakened in prices. Fine home-grown tomatoes were selling at 5 cents per quart peck. Lima beans were quoted at 25 cents a box. There was an abundance of fruit. The market was again overstocked with plums, boxes, containing four quarts, being offered at 10 cents.

RELIEF FIRE COMPANY.

At the meeting last night of the Relief Steam Fire Engine Company Mr. L. E. Uhler was chosen vice president to represent the company in the State Firemen's Convention which meets in this city next month. The following delegates were also elected: A. D. Grimes, Harry Padgett, K. W. Ogden and P. F. Gorman, jr., Alternates; James Patterson, jr., Conrad Schwab, M. F. Padgett, jr., and W. P. Taylor.

Million Dollar Fire in Portsmouth.

Portsmouth, Va., July 30.—Fire here early today, and believed to have been the work of incendiaries, destroyed the immense plant of the Barnes Box Company, Standard Oil contractors.

For a time it looked as though it would be impossible to check the flames but after hours of the most heroic fighting the firemen succeeded in staying the progress of the flames, but then only when the fire had spread over three acres of ground and burned a number of buildings.

The loss, it is believed, will reach \$1,000,000, and it is stated that this loss is completely covered by insurance.

The case of Fredericksburg against the Rose Clift Fruit Company, of Waynesboro, in which the Rose Clift Company was charged \$75 for a license to sell cider in this city, was dismissed on Thursday in the Corporation Court of Fredericksburg. The evidence showed that the cider showed that the cider offered was the pure juice of the apple and non-intoxicating, hence neither the Byrd law nor the Owen act had jurisdiction over it.

The moving pictures of the Jeffries-Johnson prize fight are not drawing the crowds in New York and Brooklyn that were expected and the owners of the pictures face a financial loss.

IN MEMORIAM.

In sad and loving remembrance of our dear mother, ROBERTA C. GORHAM, who died July 31, 1904—one year ago to-morrow.

Rest peacefully, dear mother. In your cold and narrow bed. You are living still in loving hearts. Though with the silent dead.

By Her Daughters.

Georgetown, D. C., July 30.—Wheat 90c.

ONLY A FAITHFUL PROTESTANT.

The bill modifying the declaration on religion required of the king upon accession passed the House of Commons upon third reading yesterday by a vote of 245 to 52. In its final form the bill not only eliminates the phrases offensive to the Roman Catholic subjects of his majesty, but it also makes it acceptable to the non-conformists by striking out the proposed statement of adherence to the established church. King George is now required to declare merely that he is "a faithful Protestant."

SUE ROCKEFELLER FOR \$550,000.

Thomas C. Kelley, A. J. Steele and Terence McManus, of Findlay, Ohio, began suit in the Common Pleas Court yesterday for damages aggregating \$550,000 against the Standard Oil Company of New Jersey, the Standard Oil Company of Ohio and John D. Rockefeller, charging that the Standard, through its monopoly of the oil business, lowered prices, making competition impossible and causing them losses aggregating the amount sued for. Kelley and Steele ask \$200,000 each and McManus \$150,000. The three were formerly large producers of oil.

WESTERN UNION CHANGES.

Important changes in the organization of the Western Union Telegraph Company, effective September 1, are expected to be officially announced within the next few days. It is said that all territory south of Washington and east of the Mississippi river, except New York, will be embraced in the Southern division with headquarters at Atlanta and an administrative system similar to that of the Bell Telephone Company is to be put into operation.

TWO PERSONS DROWNED.

At least two persons were drowned and several others had narrow escapes from death when a covered launch owned by the government and used by the soldiers at Fort Stevens, Ga., was sunk in Lazzaretto creek, near the fort, late yesterday. A woman member of the party was caught by the tide and carried down the creek for several hundred yards, screaming for help until she lost consciousness. Fishermen rescued her and after a long time she was revived. Other occupants of the launch, it is believed now, escaped in safety after battling with the tide. The accident occurred where the Tybee railroad crosses the creek on a low bridge. The top of the launch struck the bridge, the craft careened, and was swept under water almost instantly.

What Shall We Drink?

Now that hot weather is here, we are again confronted with the question of what to drink. Water is often impure and ice water is dangerous. Tea and coffee have a depressing effect. Milk causes biliousness. Whisky intoxicates. The so-called "soft" drinks upset the stomach.

HOFBRAU BEER

Quenches the thirst best of all and it cannot carry germs, because it has been boiled. It has been well aged, so as not to cause biliousness. It is pure and mild, and you'll like it.
